

# Jaeyoung Yoon MD, PhD

- Education:**
- MD/PhD      St. Louis University School of Medicine  
St. Louis, MO  
PhD: Pharmacological/Physiological Sciences  
July, 1991-May, 1998
  - BA            Princeton University  
Princeton, NJ  
Major: Molecular Biology  
August, 1985-June, 1989
- Positions Held:**
- January 2010-Current, Director of Mohs Surgery, John Cochran Medical Center, St. Louis, MO
  - October, 2006-Current, Private Practice, St. Louis Dermatology and Surgery Center, St. Louis, MO
  - June, 2004-September, 2006, Assistant Professor, Department of Dermatology, University of Missouri, Columbia, MO
  - July, 2003-May, 2004, Assistant Professor, Department of Dermatology, Mayo Clinic, Rochester, MN
  - July, 2002- June, 2003, Dermatologic Surgery Fellow, Department of Dermatology, Mayo Clinic, Rochester, MN
  - July, 2001-June, 2002, Chief Resident, Division of Dermatology, Washington University School of Medicine, St. Louis, MO
  - July, 1999-June, 2001, Resident, Division of Dermatology, Washington University School of Medicine, St. Louis, MO
  - July, 1998-June, 1999, Intern, Department of Internal Medicine, St. Louis University Health Sciences Center, St. Louis, MO
  - 1989-1991, Research Assistant, Dr. David Schlessinger, Department of Molecular Microbiology, Washington University School of Medicine, St. Louis, MO; This laboratory was associated with the Human Genome Project, specifically its focus was in mapping and sequencing the Xq24-Xqter of the X chromosome and analyzing genes within this region.
- Achievements:**
- Board Certification:    American Board of Dermatology, November, 2002
  - Residency:            Selected Participant, Society of Investigative Dermatology Resident Retreat for Future Physician Scientists, Warrenton, VA, June, 2001
  - Med School:            Passed, USMLE Step I (Sept, 1993), Step II (March, 1998), Step III (1999)
  - Grad School:           NIH Predoctoral Training Grant, 1993-1994

Honors, Departmental Preliminary Exam (written and oral defense of mock NIH grant): "The role of telomerase in cellular immortalization"

Undergrad: *Cum Laude* graduate, Molecular Biology

Honors, Senior Undergraduate Laboratory Research Thesis

**Extracurricular  
Activities:**

President/Head Instructor, Chang's Martial Arts, 3<sup>rd</sup> Ed., Inc., 1990-1993;  
Took over the management of the family business during this period for my father who instructed Taekwon Do and Judo in the St. Louis area since 1972.

Taekwon Do, 4<sup>th</sup> degree black belt, World Taekwon Do Federation

Judo, 4<sup>th</sup> degree black belt, Korean Judo Association

Ivy League Championships, Gold Medallist, Tournament Spirit Award,  
1988, Cornell University, Ithaca, NY

Canadian International Open Judo Championships, 1988,  
Toronto, Canada, 71 Kg weight division

East Coast College Championships, Silver Medallist, 1987,  
New Jersey Institute of Technology, Newark, NJ

United States International Open Judo Championships, 1984,  
Olympic Training Center, Colorado Springs, CO, 71 kg weight  
division

**Personal:** Date of Birth: 2-19-67  
Place of Birth: Taegu, South Korea  
Immigrated to St. Louis, MO in 1972  
U.S. Citizen

**Research Thesis:** 1988-1989, Senior Undergraduate Research Thesis: "The Role of Splicing in Adeno-associated Virus Replication and Capsid Protein Synthesis", Advisor Dr. Tom Shenk, Howard Hughes Professor, Professor of Molecular Biology, Princeton University, Princeton, NJ

**Research  
Dissertation:** 1993-1996, PhD Dissertation: "The Roles of Prohormone Convertase 1 (PC1) and Prohormone Convertase 2 (PC2) in Pro Cholecystokinin Processing", Mentor Dr. Margery Beinfeld, Professor, Dept. of Pharmacological and Physiological Sciences, St. Louis University School of Medicine, St. Louis, MO; As of 1996 her academic appointment is with the Department of Pharmacology and Experimental Therapeutics at Tufts University Health Sciences Center, Boston, MA

**Presentations:**

June, 2006, "Is this skin cancer?", Missouri Academy of Family Physicians, 58<sup>th</sup> Annual Scientific Assembly, St. Louis, MO

November, 2005, "Mohs micrographic surgery", Ophthalmology Grand Rounds, University of Missouri, Columbia, MO

April, 2005, "Skin cancer in the elderly", Midwest Regional Oncology Seminar, Sponsored by Ellis Fischel, Lake of the Ozarks, MO

March, 2005, "Mohs micrographic surgery", ENT Grand Rounds, University of Missouri, Columbia, MO

February, 2005, "Advances in phlebology in Dermatology", American Academy of Dermatology Annual Meeting, New Orleans, LA

February, 2005, "Management of aggressive squamous cell carcinomas", American Academy of Dermatology Annual Meeting, New Orleans, LA

October, 2003, "An argument for additional margins after Mohs micrographic surgery for aggressive squamous cell carcinomas", Combined ASDS-ACMMSO Annual Meeting, New Orleans, LA

September, 2003, "An update on phlebology in dermatology", MN Dermatology (O'Leary) Conference, Rochester, MN

July, 2003, "Skin cancer in organ transplant patients", Transplant Medicine Annual Regional Meeting, Grand Rapids, MN

October, 2002, "Full thickness skin graft repair using redundant submental skin as donor", Combined ASDS-ACMMSO Annual Meeting, Chicago, IL

September, 2002, "Transposition island pedicle flap repair", MN Dermatology (O'Leary) Conference, Rochester, MN

October, 2001, "Treatment of angiosarcoma using Mohs micrographic surgery", Combined ASDS-ACMMSO Annual Meeting, Dallas, TX

**Publications:***Peer Reviewed Articles:*
